

Disposable – SpO₂ Sensors

» Sensors from the leading technology OEM supplier

» **PRODUCTS** that care
for you «

Clinically tested and approved sensors from the leading technology OEM supplier

- Durable and easy to use
- Bio-compatible and latex free materials help to prevent allergic skin reactions
- Single patient use design minimises the risk of cross infections

The clinically tested and validated oximetry sensors from **bluepoint**® MEDICAL are fully compatible replacement sensors intended for use with the brands of pulse oximeters and modules listed in the table.
